

Ever thought about volunteering?

Wiltshire's **Primary Mentoring Scheme** is looking for people who can spare a couple of hours of their time each week during the school day.

We are looking for people **aged 18 and over** with excellent listening and communication skills and an understanding of the issues facing young people today.

Volunteers need to be patient, flexible, committed, and reliable as well as having common sense, good empathy skills, a sense of fun and the willingness to try something new.
