February 2024

Dear Parents/Carers

We have some very exciting news. Following on from the success of our visit to the pantomime for YR and Y6 in December, we have been able to arrange a theatre visit, in school, for the whole school!

Booster Cushion Company will be performing Goldilocks and the Three Bears, in conjunction with Book Week, on Tuesday 27th February 2024. This is a fantastic opportunity for the children to see a live performance, which we hope will be enjoyable and informative.

For opportunities like this to continue, we need your help towards the cost. As a school we have managed to secure a discount and we are therefore asking for a voluntary contribution of £2 per child which can be paid between now and 29th February via [Parentpay](#).

We hope your children will enjoy this new experience.

Best wishes

Mrs Vousden

Headteacher
