

We Serve

Devizes Lions Club

We are delighted to be running our second Arts Coaching Day on Saturday 14th October. Unfortunately, we were unable to build on the success of our 2019 Arts Coaching Day because of the pandemic. The idea of the Arts Coaching came from our long-running Sports Coaching; Arts Coaching broadens the scope of activities for children.

This year, we will have workshops for **Drama, Musical Theatre, Yoga, Contemporary Dance, Street Dance, Hoop Dance, Knitting, Crochet, Bongo Drumming, Upcycled Materials Artwork, Metal Embossing, Clay Tiles, Felt-Making, and Mosaics.**

The workshops are open to children who will be in **Years 4, 5 and 6 in September.**

The workshops will all be held in Devizes. This year, **we are asking schools to send, in their usual fashion, this email to parents and guardians.**

Embedded in the email is a link to **our Arts Coaching page on Devizes Lions website.** Please click [here](#) to view.

For this event, we will not be asking members of Devizes Lions Club to make presentations to schools but will ask parents to seek this information on Devizes Lions website or our Facebook page, then fill in the application form there and to pay for their booking on Ticket Source.
