As such the supervisory staff accept the responsibilities set out in Section 4.4 of the LA's policy statement on health, safety and welfare.

12.0 LOCAL RULES

At Nursteed Community Primary School we have adopted the following rules:

- 12.1 Use of mains operated personal electrical equipment will not be used on site unless PAT tested.
- 12.2 Personal use of school equipment will only take place with the permission of the Headteacher who will carry out a risk assessment to decide whether to grant permission.

- 12.3 Personal food preparation facilities. The school provides a dishwasher, hot water and detergent to ensure staff are able to keep the staffroom clean. A fridge is provided for staff to store their food.
- 12.4 Designated parking places – staff park in the car park. This car park is separated from areas that the children will use during the day. The carpark gate is closed during the day and parents are advised not to use it. Permission to use the car park is given to parents who hold a disability badge or have demonstrated a disability that prevents them from waiting outside the school gate. These parents will be advised that the gate will not be opened until the large majority of children have left the site at 3.25pm.
- 12.5 Use of private vehicles for work purposes. Staff may need to use their car to transport pupils or to attend courses on an ad hock basis. They must have Business Cover on their insurance before transporting children and should never be alone in their car with a single child.
- 12.6 All staff are expected to report any health and safety concerns immediately to the Headteacher or the School Business Manager and to be involved in carrying out risk assessments.
- 12.7 For any new events or arrangements risk assessments are carried out to ensure that children, staff and volunteers are as safe as can be. All regular volunteers and parent helpers are subject to DBS checks prior to working in the school environment or assisting with school trips. On rare occasions it may be necessary to take a parent on a trip to supervise their own child or to offer additional support. If they do not have a DBS check in place they will be included in the risk assessment as set out on Evolve.
- 12.8 We use an external company, Samsung, to clean the school and a monthly audit is carried out between the Account Manager and the Finance and Admin Officer to ensure standards are maintained.
