Newsletter 17 – Monday, 26th January 2026

Message from the Head:

Last week, I launched our whole-school interactive task on our assembly theme of **determination**, linked to what the children want to be when they're older. All year groups have been able to give robust definitions of what determination is and what this may look like in school and in our learning.

Hot Chocolate with the Head:

I met Ben, Lily and Evie-Mae from Key Stage One and Grace, Ava, Sam and Henry from Key Stage Two. We talked about science and it was clear that all year groups enjoy their practical lessons where they can carry out experiments.

Celebration Assembly:

We celebrated Sophia L, Lily, Thea, Logan W, Ava, Ella and Archie. We also shared Imogen's swimming certificates and Lola and Daisy's dance medals and trophies.

Parking:

We continue to have issues with parking in the mornings and afternoons outside the school gate. Please do not block the school gate – this is stopping staff getting in and out of the school car park and also affects deliveries and potentially emergency vehicles.
