

Greetings from Devizes Tennis Club

So 2025 was quite a year for our holiday camps as the Summer saw the launch of our first ever multi-sport holiday camp and what fun we had!

With everyone loving the variety of the new style camp, we're excited to announce details of our first holiday camp of 2026, and happy to say that being winter we'll be indoors for our February half term camp at Nursted Primary School in Devizes.

It would be amazing if you could share details of our forthcoming camp with the families who attend your setting - thank you in advance for doing so
