Message from the Head:

It has been another positive week in school, with children demonstrating fantastic attitudes to learning and making us proud every day. I would also like to thank everyone who attended our recent SEND Coffee Morning with Mrs Pretlove. It was wonderful to see so many parents and carers join us, share their experiences and strengthen the partnership between home and school. Your feedback and support are invaluable as we continue to ensure every child feels included and able to thrive.

Weekly Assemblies

This week, children also took part in an Allergy Awareness Assembly to help them understand the importance of keeping everyone safe. They learned about different types of allergies, how allergies can affect people in different ways, and the simple steps we can all take to help protect others, such as not sharing food and washing hands regularly. The children listened carefully and showed great maturity, demonstrating our school values of kindness, respect and looking after one another.

Celebration Assembly

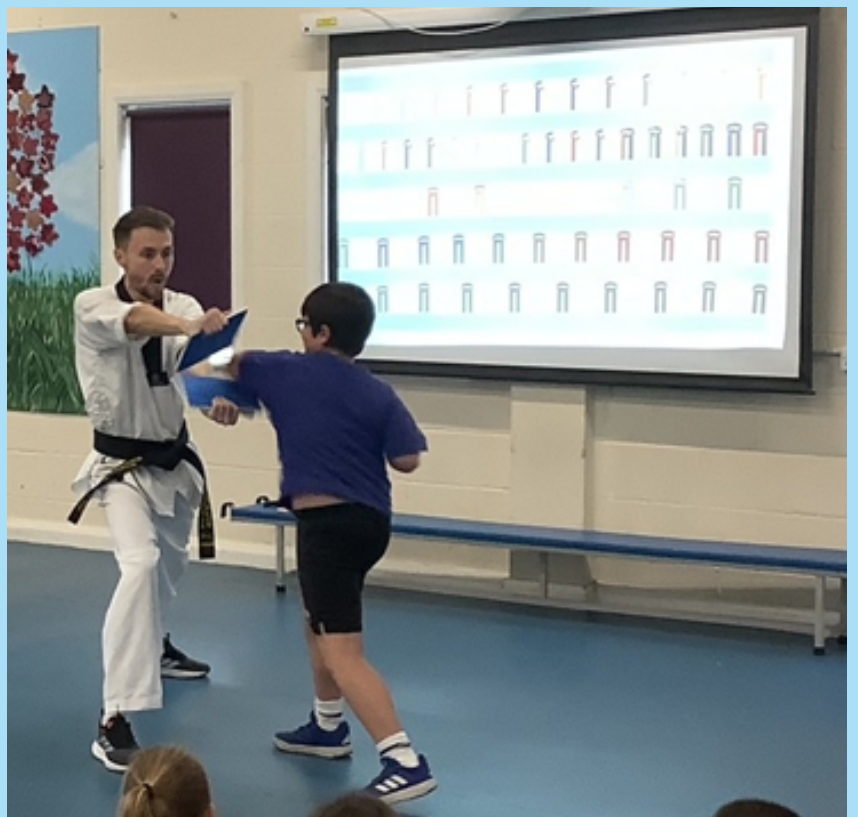

This week, we celebrated Noah, Evie, Noah, Harper, David and Evelyn – well done!

We also celebrated Lily's Baton Twirling rosettes and Lacey's certificate and medal for dance.

Tiger Martial Arts

We had a very exciting assembly from Tiger Martial Arts this week. Instructor Nick told us about his journey to obtaining his latest belt, discussed resilience then showed us some impressive moves. We also have some skilled children and staff who had a go at breaking the wooden boards – well done Max, Bea, Sam and Miss Gaule!

Hot Chocolate with the Head

This week, I met with 4 children from Key Stage Two as some children from Key Stage One were on their trip - we will catch up on Monday! I met with Sam, H, Ted and Joshua and we spoke about our reading lessons and the class books we choose.

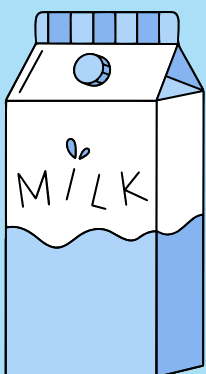

A big thank you!

A huge thank you to Kennet Furniture Refurbz for kindly gifting and delivering a new classroom fridge for our EYFS class milk!

Kennet Furniture Refurbz specialise in giving furniture a new lease of life through refurbishment, helping to restore and reuse items rather than replace them. Choosing a business like theirs is a great way to support a local business, encourage sustainability and make the most of existing resources.

Please do show them some support and consider them for your furniture refurbishment needs!

Safeguarding

Each week, we will attach a Parent Guide to an app, area of online safety or a safeguarding issue to give you an informed overview and top tips on how to keep your child safe and discuss these topics together. This week it relates to the app 'FaceApp' which uses selfie photos to add different filters to.

Upcoming Dates
