Message From Mrs Vousden

I've been really proud of Saturn Class this week as they have taken their SATs. They have been well behaved, hardworking, determined and a joy to be with. Many thanks to the staff and governors, Mr Armitage and Mr Smith in particular who helped out every day, for their support with this process.

I look forward to joining Saturn Class at the Beacon in June.

Sports Day – Tuesday 21st May

Children can come to school dressed in their PE kit on this day. We look forward to seeing you all next week for a fun afternoon – weather permitting! The gates will open from 1pm and we will aim to start at 1.15pm. Please make sure your child has a jumper/water proof coat/sun hat and sunscreen as appropriate for the weather.

We would like to sell refreshments on the day, so would be grateful of donations of cakes in the morning. If anyone is able to help selling these for part of the afternoon, please email the office and we will add you to the rota. We would like to have plenty of people helping so that no one person has to do it for too long, so if you are happy to give up 30 minutes, it will be much appreciated.

Year 6 Parents Meet the Teacher on Tuesday 4th June

Saturn Class parents are invited into class at 2.30pm on Tuesday 4th June. This will be an opportunity to meet Miss Munton before we head off to the Beacon the following week, as well as seeing the children's current work.

Car Park

You will have received the message that the car park will be locked between the hours of 8.35am and 3.25pm. This is to ensure the safety of the children as they arrive and leave school. We are sorry for the inconvenience this causes some staff and parents but need to put the safety of the children first.

We are pleased to announce the following events to be organised by FONS. Please get in touch if you can help. More details will follow soon.
